Discussion Questions

- 1. vv.6-13 How does Paul account for Jewish unbelief and still defend the ‘word’ (promises) of God (v.6)? How does he illustrate and prove his answer from the Old Testament?**
- 2. vv.10-13 Why does Paul say it was Jacob that became a child who inherited the promises to Abraham, but Esau did not?**
- 3. Paul presents the doctrine of election not as a problem, but as a solution. How does this doctrine give you comfort and assurance? Why should we embrace unconditional election?**
