*In [Romans 9] verses 6 to 29, Paul explains why anybody is saved — it is the sovereign election of God. In these verses [30-33] he is showing us why anybody is lost, and the explanation of that is their own responsibility... So this is what the Bible teaches. Election alone accounts for the saved, but non-election does not account for the lost... No one would be saved were it not that God in a sovereign manner has chosen him, as we have seen abundantly from verses 6 to 29. It is God's action alone that saves someone. So why is anybody lost? Is it because they are not elected? No! What accounts for the lost is their rejection of the gospel... We are not responsible for our acceptance of the gospel, but we are responsible for our rejection of it.*
