### Lesson 4

1. How does the case of Abraham (vv.18-25) illustrate the difference between only believing in God, and believing God (v.3)? How can his example help you strengthen your faith (v.19)?
2. vv.9-10. How secure is the future for a Christian, and why?
3. vv.3-4. How does Paul answer the question: “But what good are these benefits if we are still going to suffer?” Why does Paul say we should rejoice *in* our suffering, not *for* them? How can we rejoice *in* suffering?
4. What are the differences between Adam and Christ, and why (and how) do those differences matter to the believer?
5. What is imputed righteousness?
